

# WEST TAMPA CHAMBER SPOTLIGHT

## MEET WEST TAMPA CHAMBER MEMBER Rolando Pozo

**Rolando Pozo**

### **BACKGROUND:**

Rolando moved to West Tampa for the first time in 1988. He spent 4 years here at the Marina Club where he water-skied on the river every chance he had before joining the United States Air Force. After completing 6 1/2 years with the military, he moved back to Tampa, South Tampa. His parents still lived in the Marina Club so he would come to the area to visit weekly. After missing the river, café con leche and the historical architecture for 10 years, Rolando purchased his first home and launched his 2<sup>nd</sup> successful business (Rolando & Associates Consulting, Inc.) in West Tampa.

### **ON A PERSONAL NOTE:**

Rolando's father's family moved to Tampa from Cuba in 1960. They moved between Los Angeles, Tampa & Miami several times over the next 21 years before settling in Tampa for good in 1981. Rolando has personally lived in several cities around the country and has visited most of the major cities in the country and West Tampa is his number 1 choice for living and working. "The cultural diversity, central location, historical architecture, and beauty of the Hillsborough River all in one place, make West Tampa a tough act to follow".

### **VISION FOR WEST TAMPA:**

As the Communications and Marketing chair for the West Tampa Chamber of Commerce, Rolando has made it his mission to get the word out about everything West Tampa has to offer families and businesses. As a father and business owner, Rolando is personally committed to redeveloping the community and help to make it a place his son will want to live and work.

### **WHAT R.A.C.I. CAN DO FOR YOU:**

Our motto is "Old Fashioned Service in a High Tech World". Rolando has lived most of his life before computers and the technology they provide were available to most people. He also remembers the days of service, which seems to have gone by the wayside. When you have products most people don't understand, combined with bad service, you end up with frustrated customers that learn one thing, one way and stay there even though far better, easier, options exist. Please check out our website @ [www.rolando.net](http://www.rolando.net) or call 813-334-3274 to discover the many services we provide.
